NEW ZEALAND WINE CENTRE WINS ART DECO AWARD

The New Zealand Wine Centre was recently awarded an Art Deco merit award for the redevelopment of the AMP Building.

The iconic building officially opened its theatre doors on 11 October with a new wine tasting adventure that has received positive acclaim from many of its visitors. The building has been redeveloped in keeping with its Art Deco style and it is hoped that this new adventure will attract visitors from all over the world to enjoy a unique wine tasting experience in an iconic, historical building.

Through the Art Deco Trust Awards, the trust is hoping to not only significantly increase the number of tourists into the city but to also encourage its citizens to preserve and develop these beautiful buildings in keeping with the Art Deco style.

Angela Barons, Owner of Big Picture Wine and the County Hotel says: "We are extremely honored to have received this merit award from the Art Deco Trust. The Iconic AMP building means a great deal to us and we are very proud to be a part of its history."
